

PRODUCT DESCRIPTION

Citri-Solv is a remarkable orange-based, high flash point solvent blend that effectively dissolves adhesive residue off forms as well as removing retarder residue. Citri-Solv has grease cutting solvents and penetrants, as well as anti-deposition agents. It effectively degreases and cleans a variety of surfaces and equipment without etching.

Apply Citri-Solv to metal, plastic, vinyl, concrete, brick, tiles or other masonry surfaces and equipment to be cleaned.

USES

- Effectively cleans forms following Altus application
- Degreaser
- Multi surface compatibility

FEATURES

- Roll, brush, or spray
- Citrus based

COVERAGE RATES AND PACKAGING

- 5-gal metal pails
- 55-gal metal drums
- Coverage rate: 150 square feet/gallon

STORAGE & SHELF LIFE

Store indoors and protect from freezing temperatures

Shelf life is 1 year from manufacturing date in closed original container.

USE & APPLICATION

Do not dilute Citri-Solv for best results. Apply by brush, roller or by low-pressure hand pump sprayer. Before trying to remove any in-form retardant, make sure the retarder film is completely dry. Allow Citri-Solv to dwell for a few minutes without drying on the surface and then gently scrub with a stiff brush until the product to be removed becomes emulsified. Scrape any materials off the surface and collect. Re-apply Citri-Solv to the area and allow to dwell for a few minutes. Wipe the area clean with rags or sponges.

Re-apply as needed.

Dispose of collected material and soiled rags in accordance with local regulations.

LIMITATIONS

Test on a small, inconspicuous area prior to application

Not intended for use on surfaces that may be adversely affected by solvents

COMPLEMENTARY PRODUCTS

Altus/Altus VOC in-form retardants

Neutra Clean

Form Seal

NOTE: Form Seal is not VOC compliant in all states. Please check local VOC regulations prior to considering the use of this product.

RECOMMENDED TOOLS & CLEAN UP

- Solvent resistant roller covers and brushes
- SwissMex Solvent Sprayer
- Scraper
- Disposable rags
- Clean up tools with Xylene or equivalent

SAFETY AND PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Before using or handling, read the Safety Data Sheet and Warranty. DO NOT TAKE INTERNALLY. Do not breathe vapors or mist. Use only with adequate ventilation and use a respirator when levels are above applicable limits. Avoid contact with skin and eyes. Close container after each use. Use good hygiene when handling this product and wash and bathe after each use. Be sure to wash clothing after each use.

WARRANTY

This product is not intended for public use and is intended for use by licensed contractors and installers, experienced and trained in the use of these products. It is warranted to be of uniform quality, within manufacturing tolerances. The manufacturer has no control over the use of this product, therefore, no warranty, expressed or implied, is or can be made either as to the effects or results of such use. In any case, the manufacturer's obligations shall be limited to refunding the purchase price or replacing material proven defective. The end user shall be responsible for determining product's suitability and assumes all risks and liability.
