RUFF RELEASE

PRODUCT DESCRIPTION

Architectural Concrete Chemicals Ruff Release is a unique thickened blue colored release agent primarily for low or no draft applications on rough, irregular or smooth surfaces. Ruff Release yields a smooth and easy release from all types of form surfaces.

USES

Apply Ruff Release to the most intricate and difficult form surfaces where release stresses may pose problems or wherever release issues are anticipated. Ruff Release works well in all applications and will not stain the surface on which it is used. Ruff Release may be used on all types of form surfaces including plastic, rubber or styrofoam.

FEATURES

- High viscosity
- Blue color
- Use on all types of form work
- Non staining

COVERAGE RATES AND PACKAGING

- 5-gal plastic pails, 55-gal plastic drums

STORAGE & SHELF LIFE

Two years from manufacturing date in closed original container.

USE & APPLICATION

Apply a very thin coat with a rag, sponge or swivel type mop. Wipe off excess prior to casting.

SAFETY & PRECAUTIONS

CAUTION: KEEP OUT OF REACH OF CHILDREN Before using or handling this product, read the Safety Data Sheet (SDS), product label, and warranty information. Do not take internally. Avoid breathing vapors, spray, or mist. Use only with adequate ventilation. When ventilation is insufficient or exposure limits may be exceeded, use appropriate respiratory protection. Avoid contact with eyes, skin, and clothing. Wash thoroughly after handling. Remove and wash contaminated clothing before reuse. Keep container tightly closed when not in use. Do not use near heat, sparks, open flames, or other sources of ignition. Store in a cool, dry location. Protect from freezing. FIRST AID: In case of eye contact, flush thoroughly with water for at least 15 minutes. If irritation persists, seek medical attention. Wash skin thoroughly with soap and water after contact. If swallowed, do not induce vomiting. Seek immediate medical attention or contact a Poison Control Center.

WARRANTY

Solomon Colors / ACC Products are intended for use by licensed contractors and installers, experienced and trained in the use of these types of products. It is warranted to be of uniform quality, within manufacturing tolerances. The manufacturer has no control over the use of this product, therefore, no warranty, expressed or implied, is or can be made either as to the effects or results of such use. In any case, the manufacturer's obligations shall be limited to refunding the purchase price or replacing ACC products proven defective. The end user shall be responsible for determining product's suitability and assumes all risks and liability.
