Solomon Colors, Inc. has been an industry leader in colored concrete since 1927 as a domestic and international supplier of concrete color, concrete colors dispensing systems, concrete sealers, and concrete coloring products. Solomon Colors, Inc offers a full line of decorative concrete solutions from blended dry and liquid concrete pigments to urethane texture Stamps, concrete sealers, and Concrete Stains. Solomon Colors Products sold through a global network of distributors and three main production facilities in the U.S.

Solomon Colors INC products are manufactured goods produced in the United States. Solomon Colors products pass the “substantial transformation” test as set forth in Appendix F of the American Recovery and Reinvestment Act (ARRA) Supplemental Buy American Guidance for NIST Construction Grants.
