Lythic Cleaner
by Solomon Colors, Inc.

CLASSIFICATION: 03 35 43

PRODUCT DESCRIPTION: Lythic Cleaner is an effective, non-corrosive cleaning agent designed for highly finished or polished concrete surfaces but suitable for all concrete surfaces. Lythic Cleaner goes beyond cleansing, hardening and enhancing, by adding silica to the surface as it cleans. Sold as a concentrate, it is ideally suited for everyday use and is the best investment you can make in maintaining a concrete floor finish.

Section 1: Summary

Basic Method / Product Threshold

CONTENT INVENTORY

Inventory Reporting Format
- Nested Materials Method
- Basic Method

Threshold Disclosed Per
- Material
- Product

Threshold level
- 100 ppm
- 1,000 ppm
- Per GHS SDS
- Per OSHA MSDS
- Other

Residuals/Impurities
- Considered
- Partially Considered
- Not Considered

All Substances Above the Threshold Indicated Are:
- Characterized
- Yes Ex/SC Yes No
- % weight and role provided for all substances.

Screened
- Yes Ex/SC Yes No
- All substances screened using Priority Hazard Lists with results disclosed.

Identified
- Yes Ex/SC Yes No
- All substances disclosed by Name (Specific or Generic) and Identifier.

CONTENT IN DESCENDING ORDER OF QUANTITY

Summary of product contents and results from screening individual chemical substances against HPD Priority Hazard Lists and the GreenScreen for Safer Chemicals®. The HPD does not assess whether using or handling this product will expose individuals to its chemical substances or any health risk. Refer to Section 2 for further details.

MATERIAL | SUBSTANCE | RESIDUAL OR IMPURITY | GREENSCREEN SCORE | HAZARD TYPE
--- | --- | --- | --- | ---
LYTHIC CLEANER | WATER BM-4 TRIETHANOLAMINE LT-P1 | RES | END |
2-(2-BUTOXYETHOXY)ETHANOL LT-P1 | EYE | END
SILICA, AMORPHOUS LT-P1 | CAN |

Number of Greenscreen BM-4/BM3 contents ... 1
Contents highest concern GreenScreen Benchmark or List translator Score ... LT-P1
Nanomaterial ... Yes

INVENTORY AND SCREENING NOTES:
Some components are not identified so as to protect proprietary information

VOLATILE ORGANIC COMPOUND (VOC) CONTENT

Material (g/l): 96
Regulatory (g/l): 17
Does the product contain exempt VOCs: No
Are ultra-low VOC tints available: N/A

CERTIFICATIONS AND COMPLIANCE
See Section 3 for additional listings.

VOC emissions: MAS Certified Green - VOC Emissions
VOC emissions: CHPS High Performance Products Database - Low Emitting Material

CONSISTENCY WITH OTHER PROGRAMS

No pre-checks completed or disclosed.
Section 2: Content in Descending Order of Quantity

This section lists contents in a product based on specific threshold(s) and reports detailed health information including hazards. This HPD uses the inventory method indicated above, which is one of three possible methods:

- **Basic Inventory method with Product-level threshold.**
- **Nested Material Inventory method with Product-level threshold**
- **Nested Material Inventory method with individual Material-level thresholds**

Definitions and requirements for the three inventory methods and requirements for each data field can be found in the HPD Open Standard version 2.1.1, available on the HPDC website at: [www.hpd-collaborative.org/hpd-2-1-1-standard](http://www.hpd-collaborative.org/hpd-2-1-1-standard)

**Certifying Party:** Self-declared  
**Applicable Facilities:** All  
**Certificate URL:**  
**Issue Date:** 2018-03-15  
**Expiry Date:**  
**Certifier or Lab:** none  
**Certification and Compliance Notes:** Product as manufactured contains less VOC than the threshold required by Rule 1113

Section 4: Accessories

This section lists related products or materials that the manufacturer requires or recommends for installation (such as adhesives or fasteners), maintenance, cleaning, or operations. For information relating to the contents of these related products, refer to their applicable Health Product Declarations, if available.

**No Accessories Are Required for This Product**  
**HPD URL:** No HPD Available  
**Condition When Recommended or Required and/or Other Notes:**  
no accessories are required for this product

Section 5: General Notes

This product has been tested according to California Department of Public Health Standard Method v1.2 for VOC compliance. This product does not contain any ingredients listed on the Living Building Challenge v3.1 Red List.

Applicable facilities Manufacturing sites to which testing applies

The Health Product Declaration (HPD) Open Standard provides for the disclosure of product contents and potential associated human and environmental health hazards. Hazard associations are based on the HPD Priority Hazard Lists, the GreenScreen List Translator™, and when available, full GreenScreen® assessments. The HPD Open Standard v2.1 is not:
- a method for the assessment of exposure or risk associated with product handling or use,
- a method for assessing potential health impacts of: (i) substances used or created during the manufacturing process or (ii) substances created after the product is delivered for end use.

Information about life cycle, exposure and/or risk assessments performed on the product may be reported by the manufacturer in appropriate Notes sections, and/or, where applicable, in the Certifications section.

The HPD Open Standard was created and is supported by the Health Product Declaration Collaborative (the HPD Collaborative), a customer-led organization composed of stakeholders throughout the building industry that is committed to the continuous improvement of building products through transparency, openness, and innovation throughout the product supply chain.

The product manufacturer and any applicable independent verifier are solely responsible for the accuracy of statements and claims made in this HPD and for compliance with the HPD standard noted.
